November 10, 2014

Dear NTCA Members,

The enclosed November mailing contains a few items that require your special attention. In an effort to limit the number of mailings throughout the year, ***the 2015 Dues Payment form and the 2015 Kennel Listing form are included.*** Please note payment of dues must be submitted by January 1, 2015 and Kennel Listings by January 31, 2015.

Best regards,

Judy Laffey
Corresponding Secretary
NTCA

NORWICH TERRIER CLUB OF AMERICA

Jane Schubart - President

November 1, 2014

Dear NTCA Members,

Montgomery is always a grand day for our terriers, and this year was truly a day to remember. I began my search for a Norwich Terrier at Montgomery (1998), so I suppose it's fitting that I began my new job as your NTCA "Prez" at the MCKC 2014 show. I don't believe that I've missed a year in between. It is the annual showcase of our favorite breed.

This year I especially noticed and appreciated, more than ever, the huge amount of work required for the show to go on — work done by many unpaid dedicated volunteers. Many NTCA members generously give time and money in so many ways to make the weekend special: show trophies, catalog ads, hospitality, health seminar, the mixer, the dinner with silent and live auctions, Notions, poop bags at the host hotel (lots of important details!)... and the list goes on and on. Your generous support is essential for all that we do throughout the year.

I'd like to take this opportunity to introduce our Board of Directors who will be working with me:

Lori Pelletier – 1st Vice President
Susan Miller Hall – 2nd Vice President
Candice Harper - Treasurer
Tammy Sandin – Recording Secretary
Judy Laffey – Corresponding Secretary
Betty Bossio – Director, Class of 2015
Joan Eckert – Director, Class of 2015
Dwain Lentz – Director, Class of 2015
Larry Adams – Director, Class of 2016
Patricia Warrender – Director, Class of 2016
Marilyn Jacobs – Director, Class of 2016

Much of the work happens in committees and there are lots of ways NTCA members can pitch in. It's easy to get caught up in other stuff and lose sight of our focus: our beloved Norwich Terriers. But, it is also easy to be generous when it's about the dogs!

Thanks to all who contributed, especially Alison Freehling who worked diligently as co-editor/editor of The Norwich News for 18 years. Alison is retiring from The News and will be sorely missed! Finally, I would like to add a thank you (in advance) to all who will be helping in 2015!

Best regards,
Jane

NTCA - OUR FIRST FIVE YEARS

By: Jean Kessler

Below are significant accomplishments of our first five years:

NTCA Constitution and By-Laws, Code of Ethics, AKC approved.

Illustrated Standard completed and published.

NTCA NEWS our biannually distributed club magazine is free to members and available to non-members by subscription.

NTCA Diamond Jubilee Yearbook published and distributed

Yearly participation in Purina Breed Club Reward Program with proceeds donated to CHF

CHIC Liaison who monitors the AKC web site for incorrect advertising and notifies AKC as well as NTCA

Judges' Education Presentations in various parts of the country when requested

Health Research

Concluded Research Legacy of Love headed by Dr. Chris Zink, Johns-Hopkins University
UAS in Norwich Terriers authored by Dr. Lynelle Johnson, UC Davis

Ongoing Genetic Research by Dr. Jeffrey Schoenebeck, University of Edinburgh

Upcoming Clinical Research with Dr. Brydon Stanley, Michigan State University

Donations for research are made and maintained in a CHF donor advised fund

I do not have a definite number but have been informed by NTCA Treasurer that over \$20,000 has been donated by our club to health research.

NTCA Board has approved the production of a video about UAS in Norwich Terriers to be under way January 2015

Health Seminars have been offered every year at our specialties and clinics twice.

Registry Integrity Committee has been instrumental in removing 250 non-purebred Norwich Terriers from AKC registry.

NTCA - OUR FIRST FIVE YEARS continued:

Our Rescue operation is headed and maintained by Joan Eckert.

NTCA

Judges' Mentors have been appointed and approved to serve.

NTCA Representatives attended the CHF Parent Club Conference 2012 and 2014 and the AKC Parent Club Conference in 2011.

NTCA – Our First Five Years continued:

New members receive club membership pins.

Meet the Breeds booths have been presented in CA, NY and FL and will continue.

Videos of our specialty shows have been produced and offered to members for purchase.

In addition to our web site started and maintained by Pam Seifert since the club's inception, a Facebook account is also in place.

A yearly membership directory is available to members.

NTCA calendars featuring members' dogs have been produced by Notions committee and made available for purchase two years.

Members are offered the opportunity to donate towards the Trophy Fund with the results being exceptionally fine quality awards.

Articles about our breed have been featured in SHOW SIGHT magazine as well as our on-going column in the AKC Gazette.

The club rents a storage facility in PA for housing trophies, equipment and files.

A public address system was purchased for club use and a cart donated.

Treasurer reports a balance of over one hundred thousand dollars (\$100,000.00).

NEW BOARD MEMBER BIOGRAPHIES

Larry Adams – Director class of 2016

I was fortunate to obtain a Pembroke Welsh Corgi in 1979 - a little red and white female. As she grew on, prompted by a friend, I entered her in a local dog show - my first ever. She won Winners Bitch for a 4pt major. Needless to say I was hooked and thus Gaylord was born! She finished her championship quickly. The first time she was bred it produced a male AM/CAN CH Gaylord's Bobbindobber ROMX. Bobbindobber won Best of Breed at the Potomac Corgi Specialty in 1986 with an entry of 416. The first Norwich to come to Gaylord was Ronnells Baby Ruth which was obtained from Sandra Stemmler and Sue Weaver. Baby Ruth did well in the show ring. Gaylord has produced many Champions over the years and through the dogs have made many cherished friends and acquaintances all over the world. Gaylord has imported 12 dogs from the UK. There have been many special dogs over the years ... a Pembroke - CH Perrymist Red Affair ROMX produced a famous son CH Caralon's Casper At Gaylord ROMX who is rated as Number 5 Sire in the history of the breed. Another special dog imported was a Norwich - CH Titanium Master Chef (Puck) - bred by Mrs. Eileen Needham. Puck won his Championship easily and produced well. He lived a long healthy life. Type, temperament and healthy dogs has been the foundation of Gaylord. I began judging in 1997. My judging career has taken me around the world. A few important highlights - 2004 Norwich National - the last year it was at the old show site and Best of Breed at the 2008 Pembroke Welsh Corgi Specialty. I am currently approved to judge Best In Show, Herding Group and 11 Terrier Breeds, Junior Showmanship and all the Misc Breeds. I am in the process of applying for additional terrier breeds.

Marilyn Jacobs – Director class of 2016

I have been involved in AKC events since 2002, which is when I purchased my first Norwich Terrier, Mr. Biggs. Since that time, I have owned and campaigned several terrier breeds, including Airedales, Welsh Terriers, Miniature Bull Terriers, Smooth and Wire Terriers, and Lakeland Terriers. Notwithstanding my fondness for all those breeds, my favorite, by far, is the Norwich Terrier. I am fortunate to have four that reside with me. In addition to the NTCA, I am a member of the Welsh Terrier Club of America, the Norwich Terrier Club of Greater Chicago, the Norwich Terrier Club of Northern California and the Miniature Bull Terrier Club of Southern California. I am grateful to have this opportunity to serve on the NTCA board, and I look forward to working with the membership to address issues that impact our breed and terriers in general

Judy Laffey – Corresponding Secretary

In 2002 we brought our first Norwich home. Showing was not my original intention, but I thought I'd give it a try. Twelve years later I have owner handled six champions and have successfully competed in a variety of performance venues. I believe it is important to have titles on both the beginning and end of a dog's kennel name. Needless to say it was a highpoint when last year, Paige - Ch. Glengariff's Bethpage Black RN AX OAJ – was given the NTCA Versatility Award. We have three Norwich in our home – Libby, Paige, and Riley - who is close to finishing his Grand Championship title. I am also a member of the Norwich Terrier Club of Greater Chicago and the Nassau/Suffolk Owner Handler Association. I look forward to serving on the Board of the NTCA and giving back a small portion of what this breed and community have given me.

Annual Report of the AKC Delegate, October, 2014

AKC delegates meet quarterly in the months of March, June, September, and December. I attended the first three of the meetings as well as the preceding days of committee meetings, and I am scheduled to go to Orlando in December during the week of the AKC Invitational. Delegates are encouraged to volunteer at the two day show following our meetings as ring stewards, working at the AKC booth, selling catalogs or as needed.

There will once again be a “Meet the Breeds” in Orlando. Instead of the customary “Meet the Breeds” held every Fall at the NYC Javits Center, there will be a similar opportunity sponsored by AKC to showcase our breed at the site of the Westminster Kennel Club show in February.

At the June Delegates’ meeting there was a vote to remove eligibility restrictions for the selection of club delegates. Although a majority of clubs approved the change (I voted per NTCA Board instructions for change.) it was defeated. A two-thirds approval was needed for change.

The NTCA Board asked me to work with AKC in an effort to exclude the large entry numbers from the Montgomery weekend shows which skew the point system in Pennsylvania, New Jersey, New York, and Delaware. A way was found by designating all four of these shows as Designated Specialties” rather than “Supported Entries”. We were able to make the change immediately, and starting in October, 2014, these shows will not be included in the point schedule counts. With the point schedule lowered, we should always have five point majors at our National Specialties. There is also the possibility, if numbers are great enough, to be able for Reserve Winners to get a three point major.

AKC has an ongoing campaign to use social media to change the negative perception the general public has of the AKC and purebred dogs. We are told that these proactive efforts are making a difference.

The AKC is encouraging all clubs to offer amateur owner competition at their shows. It is thought to increase entries and introduce new people to the sport.

If any of you have recently registered a puppy, you will have noted that AKC follow up includes information offered on area all breed clubs and clubs offering training classes as well as upcoming events including conformation shows and performance trials.

At the September Delegates” meeting, I was asked to read a statement to the delegate body informing other delegates of our club’s problems of finding mixed breed dogs in our Norwich registry. It is the opinion of the Registry Integrity Committee that many of these dogs are the result of the AKC’s Administrative Registration Research Service (ARR). There appears to be interest among a number of delegates who were unaware of the extent of our problems and of services the AKC offers to commercial breeders through the ARR.

I appreciate the honor of serving as your AKC Delegate.

Respectively submitted,
Betty McDonnell

NTCA HEALTH COMMITTEE REPORT - FALL 2014

In consideration of a limited time to present the report, The Health Committee will concentrate the summary of its efforts on the main focus of our work-- Upper Airway Syndrome in Norwich Terriers.

CONCLUDED RESEARCH

- 1) 16-case study authored by Dr.Lynelle Johnson at UC Davis is already published. Dr. Johnson's paper is the first peer-reviewed, scientific article documenting the UAS in Norwich Terriers. Out of 16 Norwich Terriers in the study, 12 dogs exhibited clinical signs of breathing difficulties and 4 dogs never showed any clinical signs of respiratory problems. Upon laryngoscopic examination all 16 dogs were found to have recognizable anatomical obstructions to air flow in the upper airway, even those dogs that never showed clinical signs. Dr.Johnson's study suggest a widespread occurrence of UAS in Norwich Terriers. Documenting the condition was a critical step towards establishing diagnostic protocols and surgical measures to be explored in further clinical studies. (Note: The dissertation study conducted 10 years ago in Switzerland at the University of Berne on UAS in Norwich Terriers was never published, and could not be used to secure funding and academic interest for UAS in our breed.)
- 2) Dr. Chris Zink's study, Legacy of Love Program, in which breeders and owners of Norwich Terriers submitted dogs of all ages that had passed away for post mortem examination, has been concluded. By the time you read this report, the members had a chance to hear a pre-view results of Dr.Zink's research at the annual NTCA Health Seminar. During the three years of the study (2011-2014), Dr. Zink received 39 Norwich Terriers - 18 adults over 2 years of age, and 21 puppies up to 5 months of age. She also received 5 Norfolk Terriers and 42 other dogs of a variety of other breeds to be used as controls. In her presentation, Dr. Zink generously shared the preliminary results of this extensive study of the physical characteristics of the larynx and trachea of Norwich Terriers. We are looking forward to the published article, and thank Dr.Zink for the most generous sharing of her work pre-publication.

ONGOING GENETIC RESEARCH

Dr.Jeffrey Schoenebeck continues his research mapping the genes and associated regions affecting UAS in Norwich Terriers: bones, cartilage and soft tissue. This is Dr.Schoenebeck's 8th year studying genetics of brachycephaly in canines and the fourth year of his focus on our breed.

After a setback of Canine Health Foundation denying our request for a grant to continue funding Dr.Schoenebeck's research, a new source of funding was secured in April and the study resumed without interruption.

Dr.Schoenebeck continues his work at Roslin Institute at University of Edinburgh. Genetic mapping of Norwich Terriers is being performed on DNA material collected by us in the USA and also on DNA samples purchased from the University of Berne. We are pleased about the progress of this long-term effort.

NEW CLINICAL STUDY OF UAS TO BE ANNOUNCED SOON

We are working with Dr. Brydon Stanley at Michigan State University on developing further clinical research of UAS in Norwich Terriers, with the goal of:

- 1) establishing diagnostic protocol and surgical procedures for veterinarians,
- 2) establishing a standardized test for breeders,
- 3) establishing comprehensive breeding guidelines.

Once the design of the study is complete we will be seeking NTCA members participation in this important research. Dr. Stanley has been accepting critical cases of UAS ahead of the official announcement of the study.

Breeder's UAS Self-Reporting Form

The Health Committee is urging breeders to use our "UAS Self-Reporting Form" for every planned breeding. The form is easy to implement and it is an extremely simple, yet accurate method of eliminating at least severely symptomatic dogs from our breeding programs. The form was already distributed to members twice in club mailings, along with an explanatory narrative, and was included within the pages of The News, and as an additional insert. Please do not breed any Norwich Terrier litters without first using the UAS Self-Reporting Form.

Informational video on UAS for Norwich Terrier owners

The NTCA Board approved the Health Committee's proposal to make a short educational video about UAS in Norwich Terriers. We will start its production in January 2015.

Planned Health Seminar and Clinic in 2015

The NTCA Board accepted our request for funds that would allow us organizing a clinic in fall 2015, in case a standardized test for UAS is established by then.

The Health Committee's work is not limited to efforts to eliminate Upper Airway Syndrome, but given the time constraints and member proposed motions by Blair Kelly, this report concentrated on providing in-depth information on the committee's work devoted to UAS, what we consider the most pressing health issue for our beloved breed.

Respectfully Submitted,
Magda Chiarella, NTCA Health Chair/ CHF Liaison

ILLUSTRATED STANDARD COMMITTEE REPORT – SEPT. 2014

In the past year, the following has been accomplished by the Committee:

The *Illustrated Guide to the Standard of Norwich Terriers* was published and all NTCA members (as of 10/1/13) either received a free copy during MCKC weekend or were mailed a copy.

All AKC judges who are approved for Norwich Terriers were mailed a copy in November 2013. On January 28th, an announcement was posted on the JUDGES-L discussion list inviting other AKC judges to request a complimentary copy, and more than 50 additional copies were mailed as a result.

I continue to mail several copies each month to permit and aspiring judges of Norwich Terriers. The Certificate of Registration was received from the US Copyright Office.

Approximately 40 copies have been sold through Notions online store.

The Illustrated Standard is available for purchase through Notions on the NTCA website for \$10 plus \$2.50 postage.

Respectfully Submitted,
Illustrated Standard Committee Chair, Jane Schubart

JUDGES EDUCATION REPORT

There have not been any seminars offered in 2014 and there are not any on the calendar for the rest of the year.

RESCUE COMMITTEE REPORT

I have had five dogs come into my possession over the last months. The most important was Peggy who may help us get several impure dogs out of our registry. She is a registered Norwich without an ounce of Norwich in her. Ellen Lucas put out hundreds of dollars to procure her for our RIC and she is proving to be invaluable to us. No monies were spent by the club as she was bought from an auction house in Mo. Peggy still lives with me.

The next two were from a private home that were hard to place at first as the family wanted them to stay together. When that did not work out I was able to place them in separate homes with great success. The down side was I had them for weeks so I did ask the club for monies spent.

Two others were in and out so fast that I was merely a way station. Thank goodness. I do get many calls and emails but have learned to try to place dogs right from the point of origin. I still have to turn down many dogs that are not purebred.

Rescues call many of their charges Norwich only hoping someone will take them in only to find out they have been duped. Then they call me again. So very sad.

Joan Eckert
Rescue/Rehome Chair

NTCA BREED STANDARD COMMITTEE REPORT – SEPT. 2014

The November 2013 NTCA Membership Mailing contained the 2013 NTCA Breed Standard Committee Report that included a request for member input on the tail issue. The Committee received eight responses and the overwhelming majority was strongly opposed to changing the breed standard to allow for undocked tails. Below are quotes from the responses:

“I do not support any change to our standard... I hope that your committee will continue to support our breed standard as currently written.”

“Times have changed and we are now seeing far more Norwich in the ring with tails. Our priorities should be to encourage a healthy exchange with other countries to broaden the gene pool, to allow performance dogs to have the clear advantage of the tail...”

“We don't need to follow Europe, etc. or other breed clubs. Research why? This is a matter of decision from the NTCA body of members. I believe the "No" vote has indicated the interest of our Members.”

“... I do not support changing our standard to accommodate the regulations of foreign kennel clubs.”

“I am adamantly opposed to allowing Norwich with tails.”

“I would like to inform the committee that I am totally against changing our breed standard regarding tail-docking. I would also like to thank the committee for their effort in settling this issue.”

The Breed Standard Committee was successful in correcting the Norwich Terriers color and marking choices for on-line AKC registration. The AKC paper registration form matches up with the breed standard. However, the AKC on-line registration system added three questionable colors (red grizzle, tan, wheaten) and three markings (black markings, black mask, black points), which do not exist in our breed. The AKC honored the NTCA request and removed the three questionable colors and the three nonexistent markings as registration choices.

The Breed Standard Committee has been working with the AKC on publishing a letter to Norwich judges reminding them that the Norwich is a docked breed and that NTCA has no intention of changing the breed standard.

The Breed Standard Committee continues to work with the AKC and the Parent Clubs of other docked breeds on the tail issue.

Respectfully submitted,

Al Ferruggiaro, Chair
Jane Schubart
Sandra Stemmler

REGISTRY INTEGRITY COMMITTEE (RIC) REPORT – OCT. 2014

Submitted by Dana Esquibel, Chair

A significant change in our Committee occurred when our Chair and leader, Carol Suggs, resigned her position as Chair recently. Fortunately for all of us, she is remaining on the Committee and will continue to contribute her knowledge and expertise. Carol has been behind all the work and successes of the RIC, starting with achievements in 2005. Up to the point Carol stepped down as Chair earlier this year, approximately 250 dogs have been removed from the Norwich Terrier Registry. In addition, Carol has mentored the Committee members and taught us what to look for in our quest to clean up our Registry. The Committee would like to extend our gratitude to Carol for her steadfast dedication and persistence to protect the Norwich Terrier Registry.

The Committee's most recent project is what we call the Peggy Project. Peggy is an AKC registered Norwich Terrier and she is black. A Mars Wisdom Panel DNA test revealed she is 50% Cairn Terrier, 25% West Highland White Terrier, and 25% mixed breed. She is the result of AKC's Administrative Research Registration (ARR) service. It is a free service AKC offers to commercial breeders to register with AKC any breeding stock currently registered with another registry. To quote AKC's description of this service,

“Our free Administrative Research Registration (ARR) service allows AKC staff to conduct pedigree research to determine registration eligibility for dogs upon customer request. AKC can register dogs originating from AKC registrable (their spelling) stock. Dogs may qualify for registration if pedigrees show no break in AKC lineage and all dogs originate from AKC registrable stock.”

Peggy proves that the ARR service can be a pathway for registering mixed breeds or purebred dogs that are not Norwich. Her pedigree included a dog that would have been only 2.5 months old at the time he sired a litter, dogs with no stud book dates, and identity theft. On July 28, 2014, we submitted a request to AKC to remove Peggy from the Norwich Terrier Registry along with several other dogs with similar pedigree discrepancies. The result was that a total of 61 AKC registered Norwich Terriers were removed.

For 2015, the committee plans to focus on working with AKC to make changes in their policies and procedures that are allowing dogs other than purebred Norwich Terriers into the AKC Norwich Terrier Registry. And, of course, we will continue to look for dogs in our Registry that are not Norwich Terriers and work toward their removal.

FALL 2014 NEWS REPORT

The Fall 2014 *Norwich Terrier News* will be my final issue after 18 years as co-editor/editor. I have enjoyed serving as editor, but definitely feel it is time to retire since I am no longer much involved with the NTCA or with the world of Norwich Terriers. I'm sure that new co-editors Barbara Einspruch and Susan Miller Hall will carry on the *News* in stellar fashion, with new ideas and better computer skills than I possess. I will be happy to assist them in any way as they take over this long-standing breed publication.

Alison Freehling, News editor

HOSPITALITY COMMITTEE REPORT – SEPT. 2014

The Hospitality Committee is working on preparations for the Montgomery Weekend 2014. We will arrange:

- Light refreshments/food at Thursday evening mixer.
- Friday night annual Awards Dinner
- Silent and Live auctions at the awards dinner.
- Ringside table at the Montgomery KC show.

The dinner will be held at 6:00 PM on Friday, October 3rd at the Blair Mill Inn located in Horsham, PA approximately 12 minutes from the host hotel. The room is large enough to seat all guests comfortably and still have room on either side of the room for Notions set up and the silent auction display.

We will have a buffet consisting of salad, an entrée selection of beef, chicken, or pasta, seasonal vegetables, and chef's selection dessert. The price for this dinner will be \$27.66 per person. Ticket price will be \$45 for members – this will include raffle tickets for a framed Norwich print donated by the artist Sarah England. During the dinner we will hold both a silent and live auction.

Dinner favors will be gift bags consisting of a small towel, spray bottle, and treat samples donated by Ann Viklund of Purina; a 5th Anniversary commemorative mouse pad donated by Jean Kessler, and additional treats and candy. The table centerpieces will be made of decoupage boxes created by Elsie Francisco.

My plan for the awards presentation will be the same as last year. Rather than name each award winner, only those in attendance will be announced. The awards booklet will list all recipients, so those not in attendance will still receive recognition. By doing this we can limit the time of the presentation portion of the evening and concentrate on conducting the auctions in a timely manner. We will also have a slide show of photos of new title winners. It is up to the owner to send in a photo. If one is not received, the dog will not be included.

In addition to the ring side table at Montgomery, I will have a small table set under the grooming tent with hot coffee and snacks. This will allow exhibitors access to refreshments without having to leave their dogs and the task at hand – preparing for the ring.

Hospitality Committee Members are: Donna West, Joan Graham, Jean Kessler, Paula Smiddy, Bambi Holly, Vivian Stotler, Deb Lang, Lisa Sons, Amanda Koroza, Nichola Conroy, Melissa Smith

No Club monies have been used for Hospitality to date in 2014. I do not anticipate any Club monies to be used in upcoming events. The Montgomery events and hospitality tables will be covered by ticket prices and donations to the Hospitality Committee.

Submitted by: Judy Laffey, Hospitality Chair

MEET THE BREEDS COMMITTEE REPORT – SEPT. 2014

The AKC has announced that there will be no Meet the Breed event in New York City in 2014. Meet the Breeds will be held for only one day on February 14, 2015 as a part of the events leading up to the Westminster Kennel Club show.

The Orlando, Florida Meet the Breeds will be held in conjunction with the Eukanuba show December 13 & 14, 2014. NTCA members Heidi Evans and Melanie Bryson will be the AKC Liaisons for the Norwich Terrier booth.

Notions Store: <http://norwichterrierclub.org/category/ntca-store>

The NTCA Facebook Page has been up and running for a few months at the following address: <https://www.facebook.com/NorwichTerrierClub>

Our club's Facebook page enables both members and non-members to read postings of upcoming events. Our yearly show calendar, specific information and fliers about Specialties and supported entries are posted on both the Website and the Facebook page. We do ask our members who have a Facebook account to click "like" on the NTCA Facebook page when we have updates or important announcements that we would like spread to others in order to help people plan ahead and get the most out of our club's offerings. Two examples are the 2014 NTCA Scheduled Events for Montgomery Week and the flyer for the NTCA Roving Specialty in Louisville March 14, 2015.

and also refers people back to the NTCA website for the Breeder's Directory and more information about the Norwich Terrier breed and our club.

These links are just a few of the many pages of information available on our website, please let me know if there are additional items that you would like to see uploaded to either the website or the Facebook page.

Re: Ethics Committee Report for Year 2013-2014

Dear Lori:

Our Committee has had no formal complaints filed, no informal opinions requested and spent no money since my January 26, 2014 semi-annual report. A good year!

If you or any member of the Board require additional information, please let me know.

Thank you

Very truly yours,

Alyson Greenlaw Cleary
Chair

NOTIONS REPORT – DEC. 31, 2013 – AUG. 31, 2014

The NTCA website shop continues to provide a fairly steady stream of online orders that come from all over the world. During the time frame of this report, sales have gone to China, Japan, Australia, Poland, where pay pal has proven to be a valuable tool, with orders from many states in the U.S as well including several repeat customers. Notions had a successful evening in Louisville, and it should be stronger next year with a sensational evening being planned. Columbia terrier was difficult as I had to be out of town, but have it firm in my diary for 2015, and I will be there! It is excellent for Notions to have the opportunity more than once to conduct sales at events, and everyone seems to really enjoy these evenings. So here at Montgomery, please support Notions and the 2015 calendar. We are thrilled with the result; thanks to Tonnie's work with the photograph competition. Please remember going forward that any photos submitted have to be high resolution! And thanks to all who entered. We rely heavily on this weekend to be our major revenue maker so please come and support the Club enthusiastically. There are several items that make good holiday gifts so plan ahead and make this our best year ever. Attached is the financial report for the period between December 31, 2013 and August 31, 2014. I would be happy to answer any questions, or to clarify any items in the report. The photographs chosen and paid for included in the 2015 calendar contributed to a large portion of the calendar printing cost, thus making the profit margin greater than it appears in the financials. Thanks to each and every one of you who have supported Notions, and please continue that support going forward.

Respectfully submitted,
Patty Warrender

2015 NOMINATING COMMITTEE

We are pleased to announce the members of the 2015 Nominating Committee and appreciate their willingness to serve our club:

Chairperson Sandra Stemmler - Missouri
Al Ferruggiaro - Maryland
Rainee Johnson – California
Karen Sullivan - Florida
Beth Sweigart (Ex officio)

REMINDER TO BREEDERS: Advertising Litters for Sale on AKC Website & Health Testing

If you are advertising litters for sale in the AKC Classified Ads, please remember that our NTCA CHIC Liaison is charged with the responsibility of monitoring the CHIC# status of all listings of Norwich Terriers. Breeder Profile question #5 states, *“The applicable [health screens](#) have been performed on the sire and dam as recommended by the Parent Club for this breed. (AKC recommends you ask about health issues as discussed on the web pages of the respective AKC Parent Club). Please make sure appropriate certification data, which is recorded by the AKC, is recorded for the sire and dam if indicating yes.”*

If ‘yes’ is checked, then the CHIC Liaison verifies that both the sire and dam of the litter have CHIC #'s indicating that NTCA policy has been followed. If policy has not been followed, she will notify AKC.

We are pleased to announce that Tonnie Willrich (Itsy Bitsy) has agreed to be our new CHIC Liaison. Thank you, Tonnie, for generously serving NTCA in this (and many other) roles!

NTCA 2015 CALENDARS

If you haven't yet ordered your copy of the NTCA 2015 Calendar, please take a moment to visit our website and order one soon. You will smile each time you glance at the beautiful photographs of our wonderful breed.

2015 NTCA NORWICH AMBASSADOR AWARD

Sponsored by Norwich Terrier Club of America

Honoring the Canine-Human Bond

The Norwich Ambassador Award is established to recognize the contribution of the Norwich terrier to society and our lives. Many Norwich have jobs outside of the show ring. These Norwich have a special place in our hearts and in our community. By recognizing these Norwich and their dedicated human companions, we encourage Norwich to be ambassadors of their breed and of their species to the public.

The Norwich Ambassador Award is intended to be a recognition award and not a competition award. It is open to a NTCA club member's purebred registered Norwich terrier that is involved in public service which adds to the human/Norwich bond. Recipients of the Norwich Ambassador Award will be selected from nominations made by any NTCA member in good standing including the owner and/or breeder of said Norwich. A maximum of three awards will be presented annually. Deadline for applications to be accepted would be 30 days prior to the club's annual national specialty.

Applications should be sent to Joan Graham, 384 West Broadway St., Larksville, Pa. 18651.

Norwich Ambassador Award Criteria:

1. AKC-Registered purebred Norwich terrier
2. Nominated by a NTCA club member in good standing
3. Honoree a NTCA club member in good standing
4. Additional requirements for recognition may be updated as necessary

The award consists of a physical award yet to be determined be it a certificate, or ribbon, or rosette, or medallion, etc. publication of submitted Norwich application story in the Norwich Terrier News, receive public recognition at the NTCA annual National Specialty and on the NTCA website.

The recognition awards would include the following categories:

1. **Service dog:** Norwich that are trained to assist individuals with meeting special needs, for example, medical alert dogs, hearing aid dogs, physical assistance dogs.
2. **Education Service dog:** Norwich that are trained to work to work with the public and children to improve their skills and knowledge. These skills and knowledge can include but are not limited to reading education assistance programs, dog safety programs, teaching how to interact with a Norwich and other programs helping to build a positive relationship with Norwich.
3. **Exemplary Companion Dog:** Norwich that have performed a single act of outstanding achievement, extreme companionship—such as alerting for a fire emergency--, show dedication to a single person above the ordinary such as hospice work, assisting public servants such as firemen, police, search/rescue.

NORWICH AMBASSADOR AWARD APPLICATION FORM 2015

Sponsored by NTCA

Application Process:

1. Complete application form below
2. Attach a summary, in 500 words or less, of the nominated Norwich's activity/story as it relates to the human/Norwich bond to be used for publication of honorees in The Norwich Terrier News. After selection, honorees may submit a high resolution photo to accompany the story if they desire. No show photos please.

DOG'S REGISTERED NAME AND ANY TITLES EARNED:

DOG'S CALL NAME _____ **DOB** _____

SIRE: _____

PHONE: _____ **EMAIL ADDRESS:** _____

NOMINATOR'S NAME, ADDRESS, PHONE, EMAIL, IF DIFFERENT THAN OWNER:

INDICATE CATEGORY OF NOMINATION:

____ SERVICE DOG

____ EDUCATIONAL SERVICE DOG

____ EXEMPLARY COMPANION DOG

Please submit completed application form & summary, 30 days prior to the national specialty, to Joan Graham, 384 West Broadway St., Larksville, Pa. 18651.

AKC Outstanding Sportsmanship Award Nominations 2015

In an ongoing effort to recognize and celebrate volunteer club members, the American Kennel Club offers each member club a Medallion to award to one member on a yearly basis. The award honors those individuals who have made a difference in the sport of purebred dogs, embodied the AKC Code of Sportsmanship, and have been an active and valued member of an AKC member club. The Officers and Board of Directors will present the award to a NTCA member who has been nominated by the NTCA membership and approved. The AKC Medallion will be presented at the NTCA annual recognition dinner. Recipients will be listed on the NTCA website and added to the list of honorees on the AKC website. The NTCA membership is asked to make nominations for the 2015 award. Please provide your name, the nominee's name, and a paragraph describing why you feel the nominee should receive the award. The membership is asked to make nominations with supporting documentation and submit the names of deserving persons who have provided dedicated service to the club on the form below and return it to the NTCA Corresponding Secretary, Judy Laffey by **APRIL 15, 2015**.

_____ is my nominee for the AKC Outstanding Sportsmanship Award.

Ways he/she has made a difference in the sport of purebred dogs and shown outstanding sportsmanship are _____

His/her activities in our AKC member club (NNTC then NTCA) include _____

Additional information may be continued on the back of this form. When complete, please send, By APRIL 15, 2015 to Judy Laffey, NTCA Corresponding Secretary, 765 Neptune Blvd., Long Beach, NY 115651 or judyLaffey@aol.com by April 15, 2015.

NTCA PROSPECTIVE MEMBER SUMMARIES: Fall 2014

Name: Donna Ward

City/State: Paris, Kentucky

Kennel: Sugar Grove (farm name)

Sponsors: Patty Warrender and Susan Miller Hall

Reason for Joining: To learn more about the breed in order to be a good and responsible owner and member of the NTCA.

Skills: Hospitality, Fundraising, Notions

Acquired first Norwich: April 2012

Breeder: Undecided

Offers Stud Service: No

Number of litters: 0

List all owned Norwich:

Rosecroft Kzarina of Chalkhill, RN19653802; DOB 9/30/09; Red, female, spayed

Moonshadow's Hadley of Sugar Grove; RN24314103; B&T Female; DOB 6/7/12

How many of your Norwich are health tested: None

Health testing performed: None

Health testing prior to breeding: None, but is willing to test before breeding.

Housing of dogs: Both Norwich live in house and are never out alone. We take them out on our 200 acre fenced farm.

Pursues conformation, Companion, Earthdog, or other: No

Has attended or will attend NTCA specialities / Events: Yes

Member of other dog clubs or reason on for membership ending: No

Name: Yasuko Harr

City/State: Bellefontaine, Ohio

Kennel: MA-YA

Sponsors: Cathy Rogers and April Clark

Reason for Joining: To share and learn information and data regarding Norwich Terriers.

Skills: Hospitality

Acquired first Norwich: 9 years ago

Breeder: Yes

Offers Stud Service: No

Number of litters: 8

List all owned Norwich:

CH Bluwater Serendipitous Affair RN07867302; Male; DOB 11/14/05

CH Ketka's Ritz Bitz; RN10265801; Female; DOB 11/21/05

CH Sarum MA-YA's My Sweet Valentine; RN17880801; Female; DOB 11/25/08

MA-YA's Fabulous Ginger; RN19098601; Female; DOB 8/8/09

GCH MA-YA Sweet 'N' Sassy; RN22634703; Female; DOB 5/1/11

GCH MA-YA Stormin Norman; RN24335301; Male; 7/18/12

CH MA-YA Jive Talkin'; RN25378401; Female; DOB 3/16/13

Application of Yasuko Harr continued:

How many of your Norwich are health tested: 4

Health testing performed:

CH Sarum MA-YA's My Sweet Valentine CERF

GCH MA-YA Stormin Norman CERF

GCH MA-YA Sweet 'N' Sassy CERF

CH MA-YA Jive Talkin' CERF

Health testing prior to breeding:

CH Sarum MA-YA's My Sweet Valentine CERF-11/28/09

GCH MA-YA Stormin Norman CERF-5/20/14

GCH MA-YA Sweet 'N' Sassy CERF-5/20/14

CH MA-YA Jive Talkin' CERF-3/25/14

Housing of dogs: They do not live in kennel. They live in our house. We have a privacy fence.

Pursues conformation, Companion, Earthdog, or other: Conformation

Has attended or will attend NTCA specialities / Events: Yes

Member of other dog clubs or read on for membership ending: NTCA-8years. Forgot to turn in renewal form and fee in time.

Name: Andrew (Chee Wai) Chen and Cary Jay Trexler

City/State: Sacramento, California

Kennel: Verdant

Sponsors: Carole Foucrault, Lynn Marshall, Patty Fornelli, Nancy Lentz

Reason for Joining: We believe that NTCA provides an opportunity for us to be well-informed breeders. It's through the collaboration with other responsible Norwich terrier breeders that we we'll continue to advocate for the betterment of the breed.

Skills: Education, Hospitality, Fundraising, Technology

Acquired first Norwich: June 2007

Breeder: Yes

Offers Stud Service: Yes

Number of litters: 4

List all owned Norwich:

CH Briardales No Nonsense Nina; RN13915601; Female; DOB 4/6/07

GCH Apollo; RN21030701; Male; DOB 6/29/10

CH Verdant's Athena; RN23175902; Female; DOB 10/11/11

Verdant's Bonaventure Beyond Dreams; RN24993701; Male; DOB 11/16/12

Verdant's Chica Bonita; RN 24993702; Female; DOB 11/16/12

Verdant's Final Conception of Nina; RN25720901; Female; DOB 6/6/13

How many of your Norwich are health tested: 3

(continued on following page.)

Application of Andrew Chen and Cary Trexler continued:

Health testing performed:

CH Briardales No Nonsense Nina (CHIC #58940): Hips/Patellas/CERF

GCH Apollo (CHIC #83847): Hips/Patellas/Elbow/CERF

CH Verdant's Athena: Hips/CERF

Health testing prior to breeding:

CH Briardales No Nonsense Nina (CHIC #58940): Hips/Patellas/CERF

GCH Apollo (CHIC #83847): Hips/Patellas/Elbow/CERF

CH Verdant's Athena: Hips/CERF

Housing of dogs: We just recently remodeled our second floor. All of our dogs have a designated area upstairs. They have access to sleeping pads, toys, and water. This area is gated. A dog sitter comes daily to take them out for a brief walk. We have a fenced yard for the dogs.

Pursues conformation, Companion, Earthdog, or other: Conformation

Has attended or will attend NTCA specialties / Events: Yes

Member of other dog clubs or read on for membership ending: Other than the Norwich Terrier Club of Northern California (NTCNC), Cary and Andrew are not affiliated with other dog clubs. Both have been NTCNC members since 2008. Currently, Andrew is NTCNC's Vice-President and Cary is a board member.
