SKY TERRIERS

SKY TERRIER CLUB OF AMERICA

The first weekend in October means the beginning of autumn and the fall finals for so many and other everyday things, but to many of the U.S. Montgomery County. More correctly known as the Montgomery County Kennel Club, which is held in the fall, many terrier clubs return each year to hold annual competitions. If you know a terrier owner, ask him or her if they would find an entry of 147 spirited terriers at one show! This year the Sky Terrier Club of America returned to Montgomery for this specialty show. We were there last in 1970 when Mrs. Evelyn Eberle judged our breed. The Holiday Inn at King of Prussia served as the headquarters, as did all hotels in the area as well as several others. Someone asked if there were any rooms available and the answer was yes. There were several Skys served in time for the show but most began to fiber in later on Friday and early Saturday morning. Sky Terriers are very much a part of a family. I attended a meeting of the Board of Directors that evening and found it to be lively. Possibly it was one of the few meetings when all members have been present at a meeting in such a long time. Several people able to attend the meeting shown in a meeting were the Sky Terriers. Twenty-three Terriers were shown in the specialty show. A total of 2 hours, 20 minutes was spent judging the 20 dogs and then the show was over.
