## Wednesday

## Thursday

Field and Equipment Information: A battery-powered, continuous loop machine will be used. The lure will consist of white plastic bags. The field is mowed grass and baseball infield and basically level. The entire course of 600 yds. will be run for the “big dog” class.

## TIPS FOR HANDLERS

1. The entire course will be fenced, although in some places it will be temporary fencing. It is strongly recommended that prior to running your dog, you have good "recall" control over your dog, as the dogs will be off leash.
2. Handlers should wear comfortable, sturdy shoes (no sandals or flip flops, please!) and be physically able to hold and release their dogs, as well as catch them.
3. Handlers may carry toys or treats on their persons to assist with retrieving their dog at the completion of their run.
4. Dogs will be brought to the start line on leash and released only upon a verbal signal ("Tally-Ho!") from the Huntmaster. Dogs may be released by hand, folded leash or using a traditional lure coursing slip lead,
5. The Huntmaster will instruct the handler to "Retrieve your dog" upon completion of the run. The handler is expected to promptly secure the dog and leave the field with the dog on leash.
6. Handlers are advised to warm up their dogs prior to their run and walk them for about 10 minutes afterwards.
7. Coursing Ability is a physically demanding sport so please make sure your dog is in good shape. If you are not sure, make an appointment with a veterinarian to get an opinion.
8. Any person, upon reasonable complaint, may be asked to leave the grounds of the test by the Field Committee and may be disciplined by the AKC. Children must be under control of their parents or guardian(s) at all times.

**Neither Norfolk Terrier Club (NTC), its members, nor In The Net Sporting Complex will be responsible for any accidents at this trial.  
ALL DOGS RUN AT OWNER'S SOLE RISK**

**NOTICE TO ALL EXHIBITORS**

All entries must be one year of age or older on the day of the test. Entries will not be accepted without fees, signatures or the "Agreement" found on the Official AKC Entry Form.

Bitches in season and lame dogs will be refused entry and, if presented at inspection, will be refunded entry fees.

Mixed breeds must be spayed or neutered to be eligible to run. AKC registered dogs with breed disqualifications may be entered.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded. Battery powered, continuous loop lure machines will be used. The lure will consist of white plastic strips. Backup equipment will be available.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of parasites, any communicable diseases and have appropriate vaccinations.

The Huntmaster is responsible for field safety and therefore he/she is in complete charge of all dogs and handlers on the field. In service to this responsibility, he/she has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog. Any decisions made by the event's officiating judge(s) regarding the performance of an entered dog shall be final. Full discretionary power is given to the judge(s) to withhold any and all qualifications for lack of merit. The Judge(s) is responsible for ensuring compliance with the AKC Regulations on the field.

No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the Club or its members and representatives.

**Persons exhibiting conduct detrimental to AKC/NTC/any dog(s)/other person(s) will be asked to leave the trial site.**

## FAQ

**WHAT MUST MY DOG DO TO PASS THE C.A.T.?** The Coursing Ability Test (C.A.T.) is a pass/fail test wherein all entrants always run singly. This is to say they run once, and they run alone. Because safety is of the utmost importance, the C.A.T. takes into consideration the individual dog pursuing qualification and therefore has two different course lengths to accommodate the type and size of the entrant. In either case, dogs will chase a lure made of plastic strips.

**DOGS LESS THAN 12" TALL & "FLAT FACED" DOGS.** Any entrant that is less than 12" tall at the withers and/or brachycephalic will run a clearly marked 300-yard course that is basically rectangular in shape with turns no more acute than 90 degrees. For a 300-yard course, a dog must complete the test in less than 1 ½ minutes. All dogs in this class will be wicketed.

**DOGS MORE THAN 12" TALL.** Any entrant that is taller than 12" at the withers and not brachycephalic (flat faced) shall run a clearly marked 600-yard course (or as close to 600 yards as possible) that is basically rectangular in shape with turns no more acute than 90 degrees. For a 600-yard course, a dog must complete the test in less than 2 minutes.

*In order to pass, the dog must complete the course with enthusiasm and without interruption within the maximum amount of time for the course length. The judge keeps the official time and decides the merits of the dog's performance.*

If there is a question which course a dog should run, the judge will decide.

**CAN MY DOG EARN AN AKC TITLE FOR COURSING ABILITY?** Three titles will be awarded for dogs that pass the Coursing Ability Test the required number of times. These are suffix titles that will appear on a dog's pedigree with a higher-level title superseding a lower level title.

**Coursing Ability (CA)** – Awarded to a dog that passes the Coursing Ability Test three times under at least two different judges.

**Coursing Ability Advanced (CAA)** – Dog passes the Coursing Ability Test ten times.

**Coursing Ability Excellent (CAX)** – Dog passes the Coursing Ability Test 25 times.

**Coursing Ability Excellent 2 (CAX2)** – Dog passes the Coursing Ability Test 50 times. A higher numbered title will be awarded for every additional 25 passes.

CAT regulations can be found at <http://images.akc.org/pdf/rulebooks/RELURE.pdf>

**FOR FIRST TIME COURSERS AND HANDLERS**  
**(and a good reminder to all)**

WHAT ARE PRE-ENTRIES? ~ Entries made before the closing date. However even if your entry is mailed in time yet due to the failure of the postal service, it is not received in time for the Test Secretary to have it at the Event, then you will have to fill out day of entry forms on the day of the trial. Always have your dog's registration materials with you when you go to a test.

SLIP LEADS ~ There is a type of collar for coursing called a slip lead, which is worn only to control the dog prior to "release". The collar drops away as the dog is released to chase the lure and they run without anything around their necks that could be dangerous.

***\*NO CHOKE COLLARS ARE ALLOWED DURING TESTING\****

***\*NO PRONG COLLARS OF ANY KIND ARE ALLOWED ANYWHERE ON SITE\****

***\*ENTRIES MAY WEAR A FLAT COLLAR WITH NO TAGS\****

***\*NO FLEXI-LEADS ALLOWED ANYWHERE ON SITE\****

INSPECTION~ dogs will be inspected by a designated Inspection Committee consisting of at least two persons who are members of the Field Committee and who shall inspect each entered dog for lameness, fitness to compete and female estrus (in season). Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the Inspection Committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded.

ROLL CALL ~ is the time, prior to the commencement of coursing, by which you are supposed to have your dog ready for inspection by the Inspection Committee. At roll call the dog is examined for lameness, and breed disqualifications (where applicable). Bitches are examined to see if they show any evidence of being in season. After roll call the list of passed hounds is taken to the Field Test Secretary so that the run order can be prepared.

RUN ORDER LIST ~ this is a posted list of the running order for the dogs participating in the event. ~ Always check the record sheet after the Roll Call to confirm your dog's Run Order.
