2019 AKC Sportsmanship Award

Margaretta (Missy) Wood is the NTCA recipient of the AKC Outstanding Sportsmanship Award for 2019. Missy has been involved in the sport of dogs for most of her life, its in her genes so to speak, as her father was once President of the Montgomery County Kennel Club and her mother was a well- respected breeder of Sealyhams and Dandie Dinmonts. Missy chose the Norwich Terrier as her breed and became very active in the Norwich & Norfolk Terrier Club. She has made a difference in the sport of purebred dogs and shown outstanding sportsmanship by her involvement in conformation and breeding under the prefix Terrapin, and by her extensive work as a volunteer in our national parent club (both the NNTC and the NTCA).

Missy currently serves the Norwich Terrier Club of America as Historian and as a member of our Website Committee, but since the 1970s she has worked in many more positions. She was the NNTC Gazette columnist, Editor of the Norwich & Norfolk News, Show Chair, Trophy Chair, AKC Delegate, Governor and 2nd Vice President of NNTC Board, and author of many reports and articles in a variety of club publications.

Missy is a valuable resource and always willing to lend a hand with grace and humor.

2019 Norwich Ambassador Award

Honoring the Canine-Human Bond

The Norwich Ambassador Award was established to recognize the contribution of the Norwich terrier to society and our lives. Most Norwich have jobs outside of the show ring. These Norwich have a special place in our hearts and in our community. By recognizing these Norwich and their dedicated human companions, we encourage Norwich to be ambassadors of their breed and of their species to the public.

GCHG Den-Mar's Wild Card CGC TKN – “Desi”

Owner: Marie Cato

After a successful conformation career including multiple Best in Shows and ranking as #1 Norwich All Breed in 2017, Desi and Marie spend their time going to a nursing home, several schools, and a community hospital. Desi is certified by the Alliance of Therapy Dogs. For well over a year, they have volunteered at the Villa Health Care Center assisting staff in making the facility a better place

for residents by uplifting their spirits. Desi and Marie also volunteer at Ramona High School and Victoria Elementary school. Desi's visits have helped to decrease anxiety, fear, and stress among the students he meets with. Kathleen Sarmiento, Counselor Program Director of Ramona High School found the sites visited by Desi and Marie have benefited significantly with the love and support they bring to students.

2019 Norwich Ambassador Award

CH Castle-Bar Niles of Stonehaven RAE THDA CGC – “Niles”

Owner: Brennie Brackett

As the elevator doors slip silently open, we are met by a group of elderly women, several caregivers, and an activity director who reads aloud from a book on dogs. Our arrival immediately changes the energy in the room as the women's bowed heads and sleepy faces suddenly brim with bright smiles at the appearance of “their” therapy dog Niles.

We've made more than 100 visits since he was certified as a Therapy Dog by the Marin Humane Society in December 2017, and I am astonished that Niles seems to sense why he is there and quickly seeks out those who seem particularly needy. He welcomes them with a frantically wagging tail, twinkling eyes and gleeful energy. The residents of this assisted living facility look forward to our weekly visits and for an hour of their day seem to put their circumstances behind them. They may walk with a cane, be constrained to a wheelchair, be hard of hearing, or unable to speak but during this visit Niles is their unconditional friend doling out a limitless supply of love and affection.

As volunteers of the Share Program we never imagined it would have such an impact on our lives. We have visited assisted living facilities, hospitals, summer camps, and participated in the Share A Book program in local schools and libraries. He helps young students build their reading confidence by providing an unending supply of affection, while never judging or criticizing. He sits or lies next to the child who points with a small finger at the words as the pages turn. Niles may nod off briefly all the while being stroked by a small hand. What could be a nicer way to spend his day than to provide support and companionship to those in need. This is a journey which handler and dog will treasure forever, bonding closer as a team with each visit to someone in need.

Register of Merit (ROM)

The Register of Merit (ROM) program was established by the NNTC in 1994 to honor member-owned Norwich that have produced a specified number of AKC champion offspring (sires 8, dams 5). By virtue of their ability to produce high quality offspring, they are likely to have had an impact on the Norwich terrier in the USA. By recognizing the contributions of notable sires and dams, the ROM will be a resource of information for breeders in their quest to produce the exceptional dog envisioned in our standard of excellence. It will also show interested persons NTCA member-owned top producers that have influenced American dogs.

Owner must apply for ROM. All information can be found on the NTCA website. No Register of Merit applications were received for the year ending 12-31-2018.

The Rough Rider Jones Working Terrier Barnhunt Award

An award established in 2018 to recognize the NTCA member-owned dog that achieves the highest title in AKC recognized/certified Barn Hunt tests – RATCHX. This title requires that the dog have the RATCH title as well as 10 additional qualifying scores.

Note: No award recipient for 2018

“Robert Strawbridge, a well known American horseman, bought the first known Norwich Terrier to reach American Shores in 1914, William, from his breeder in England, Frank “Rough Rider” Jones. Willum, as he was known, was a dog of exceptional character—both his sire and dam had MFH certificates—was a typical example of his breeder’s aims. His amiable disposition endeared him as a loyal companion; he had stamina to follow a horse and the bold instinct to go to ground for fox or badger...Many of his descendants...were actually hunt terriers. This harsh red-coated dog with tail docked and ears cropped...stamped his type on his American get.” At the time they were called Jones Terriers and in the USA today many still refer to the Norwich as Jones.
