

# 2022 NTCA Calendar

The NTCA offers you an opportunity to support the club, express your artistic side, and make your pup a “Norwich of the month” for 2022. Calendars will be desk size, perfect for your work area or kitchen counter top. We are planning to have the calendars available for purchase by October.

We encourage members, their friends, and puppy owners to send in photos for the "calendar contest/fundraiser." The club has established a judging panel chaired by Denis Johnson to make the determination for the cover photo and photos for each month. This contest is open to both NTCA Members and non-members.

The selected winner for the cover is asked to donate \$100 and winners for each month donate \$50 to have their pet's picture memorialized. So get out your camera, or go through your archives. Contributors whose photos are selected will receive one free calendar. **Please email your entries (with dog's name and suggested caption) to [NorwichTerrierPhotoContest@gmail.com](mailto:NorwichTerrierPhotoContest@gmail.com) by July 1st.**

Photos must be **hi-resolution - at least 300DPI, horizontal/landscape orientation, uncropped, unretouched, and unedited.** No win show photos or professional photos please. Just casual, wonderful “Norwich being Norwich” photos.
