By virtue of their ability to produce high quality offspring, they are likely to have had an impact on the Norwich Terrier in the USA. By recognizing the contributions of notable sire and dams, the ROM will be a resource of information for breeders in their quest to produce the exceptional dog envisioned in our standard of excellence. It will also show interested persons NTCA member-owned top producers that have influenced American dogs. Owner must apply for ROM. All information can be found on the NTCA website.
